JOINT REPORT TO THE HONORABLE
MAYOR AND CITY COUNCIL

BIENNIAL REPORT ON UPDATES OF
CONFLICT OF INTEREST CODES

Government Code section 87306.5 states that, no later than July 1 of each even-numbered year, "code reviewing bodies" are required to direct each local agency, under their jurisdiction, which has previously adopted a conflict of interest code ("Code") to review that agency's Code. Under this law, the term "code reviewing body" includes the San Diego City Council and the term "local agencies" includes not only City departments, but also City-owned corporations, certain City boards and commissions, and certain other local agencies (for example, the Housing Commission), for whom the City Council serves as code reviewing body.

Government Code section 87306.5 also requires local agencies to submit a biennial report identifying changes in their Code, or a statement that their Code is not in need of an amendment. The biennial reports are submitted to the applicable code reviewing body.

Normally, these biennial reports are due to go to the City Council no later than October 1 of each even-numbered year. Government Code section 82011. This year, however, the report is due to be made no later than October 3, 1994.
